To whom it may concern,

It is my pleasure and honour to recommend Alexander Popov. As an event and community manager, I am always searching for engaged students who would like to participate in a committee of community members supporting the local connector. Alexander Popov performed as the eyes and ears of the community, the face of The Social Hub community under 25 and as support in organising community events at The Social Hub Eindhoven.

Alexander Popov was a great addition to the team. His knowledge of community and expertise in events was a great advantage to our entire board. Alexander Popov put his skillset to work in order to really connect with our community. Besides, he is a very quick learner and was able to pick up information and apply it on the fly.

Along with his talents for event management, Alexander Popov has always been an absolute joy to work with. He is a true team player and always manages to foster positive discussions and bring the best out of other board members.

Without a doubt, I confidently recommend Alexander Popov. As a dedicated and enthusiastic U25 board member and an all-around great person, I know that he will be a beneficial addition to your organisation.

For any further queries about Alexander Popov, please do not hesitate to contact me.

Yours sincerely,

Jessie Oosterbosch
